

## Ford Scholars Program

**Intended for:** Students who would otherwise find it difficult to meet the expenses associated with the pursuit of a bachelor's degree.

The FAFSA should be filed as soon as possible after October 1 and must not have a rejected status at the time of the scholarship application review (mid-March).

## SUMMER CONFERENCES AND ACADEMICS

Recipients who accept this scholarship must acknowledge a responsibility to attend the Foundation's summer leadership conferences and maintain satisfactory academic progress while in college.

## GRADUATE STUDY

Ford Scholars who successfully complete their bachelor's degree may be eligible to apply for up to two years of graduate-level funding.

## SCHOLARSHIP AMOUNT

This is a variable, need-based award of up to 90% of the recipient's unmet financial need with a limit of \$40,000 per year. Scholarship award amounts are calculated annually and are dependent on the college Cost of Attendance (including tuition, fees, room and board, personal costs, etc.), less the federal Expected Family Contribution (EFC), other scholarships or gift aid and a \$1,000 work expectation. The formula for calculating the Ford Scholars scholarship award is shown below:

### FORMULA:

	Cost of Attendance (COA) for the academic year
(minus)	EFC (from FAFSA)
(minus)	Ford Work Expectation
(minus)	All grants and other scholarship aid
(minus)	Other resources (e.g., veteran's benefits)

Result x 90% = Ford Scholars Award  
(Minimum of \$1,000/Maximum of \$40,000)

### EXAMPLE:

	\$ 21,000	COA for the academic year
(minus)	\$ 2,280	EFC (from FAFSA)
(minus)	\$ 1,000	Ford Work Expectation
(minus)	\$ 7,550	All other grants & scholarship aid
(minus)	\$ 0	Other resources

\$ 10,170 x 90% = \$9,153 Ford Scholars Award
